

CITA

Budget Chairs

Basic ergonomics is accomplished with a simple height adjustment seat and backrest on a gas cylinder as found on the Cita series of chairs offered by Milagon. The Cita chair is the best choice when the economic budget is a concern. The support mechanism is constructed of industry standard, formed/welded sheet metal. The polyurethane foam seat and backrest promote air circulating comfort and withstands light acids. Some of the features that are included.

- Polyurethane seat and backrest molded on 7-ply plywood
- Seat pan mounted to mechanism with rubber grommets
- Composite base
- Available with glides or with weight dependent breaking casters
- Easy to reach function elements
- Seat height adjustment through safety gas spring
